RCM Report- Region is April 11th Appreciation to all groups that turned in votes, detailed report after region.

H&I Report- We still need Vice Chair and are looking for help with a female co-panel leader for touchstone. Our budget is as follows 200.00 left in the month of March. We had a lit order for LCC of 10.50, 35.00 for rent of Jan, Feb, and March. We do have adopted our guidelines and our own training manual. The committee is working hard to carry the message during some burnout so any volunteers for touchstone would be helpful.

PI- The subcommittee meeting was at a normal time and normal location, Antlers @ noon yesterday. Jeff W., Dusty L., Fred M., and myself were present. Final discussion of the format for the PI presentations was done and as soon as a date can be arranged we will be making a presentation to Center Pointe Youth facility. We are still in need of any & all information for additional treatment facilities and drug courts that members may be aware of. Please contact a PI Subcommittee member or email the info you may have. This is critical as we now have two volunteers that will be delivering PI related info to the institutions on the list. We will be making our first "Quarterly Mailing" soon so if you have any contact info please get it to us. We are IN DIRE NEED OF VOLUNTEERS to fulfill needs with respect to treatment centers, parole/probation offices, drug courts and other places requiring items and/or information from the subcommittee. These responsibilities include; contacting and determining their needs, delivery of meeting lists, PI presentations and other things as developed by the sub committee.
