Treasurer Report:

Hi SENANA members, I think I finally have it! The beginning balance for this month is \$115.63, which is not what I suggested the new beginning balance should be last month (if you recall, I suggested we start the account over. FYI – for the future audit of this account, the auditor should begin with this month) There was actually a check that had cleared, that I wasn't aware had cleared; thus, the new beginning balance reflects this. Our new balance after July is \$133.68 The bank's balance is \$180.68 - \$47.00 (checks not cleared) = \$133.68 ILS, Lindsey W

H&I Report- Hello family from SENANA H&I. We are alive and well. We met this morning. We have \$62.25 balance for August. We have decided to put meetings for women down at county on hold until they can get an orientation put together. We are waiting for info back from NSP to start the meetings there. We have a nomination for vice-chair. We are going to revisit the nomination to see if it will work into his schedule. We are sending product catalogs and Institutional Guides to facilities. In Loving Service, Cody

PI Report-

The subcommittee met at the usual time and location, Antlers @ noon yesterday. Jeff W, Dusty L, and myself attended. Total attendance continues to be sparse and additional participants are badly needed.

There is an additional number that our answering service will be using to contact Hotline volunteers.

687-218-5470

Volunteers should program this new number into their phone along with the current on (402-341-1472) so that they will know it is the Hotline calling. We will be calling each volunteer to make them aware of this.

The CenterPointe Youth facility presentation this month again WENT VERY WELL. This will be a recurring monthly presentation conducted on the third Tuesday of every month (9:00 – 10:00 am)

WE NEED ADDITIONAL VOLUNTEERS IN ORDER TO CONTINUE THIS PRESENTATION!!!!

Anyone with this time slot open who has completed the H&I training is encouraged to contact Cody M (H&I Chair) or myself John R to arrange an approval visit with the facility director.

We are making contact with the Nebraska State Fair to investigate the possible of having an “Information Booth” using the Region PI display. This can only be accomplished if we have enough people to cover the times. If you are interested please contact a sub-committee member ASAP.

The response I received from World is that they require an untenable amount of money for a tape containing “Broadcast Quality” copies of the PSA’s. I have requested digital versions of these PSA’s rather than a tape and have yet to get a response. I was told by those I have spoken to at World that “PSA’s take a backseat to literature projects and getting a response may take awhile.”

The good news is that we have acquired the IN-HOUSE ability to create and edit films and all we need to produce our own PSA is interested members with time to donate to the cause. There are also other ASC’s around the country that have “Broadcast Quality” PSA’s that we are acquiring and editing for use.

The motion to increase the number of Regional meeting lists being printed was not made at Region but will be submitted at the next one. The sub-committee does have Region meeting lists if groups need them.

We are still in need of any & all information for additional treatment facilities and drug courts that members may be aware of. Please contact a PI subcommittee member or email the info you have to pi@sena-na.net This is critical as we now have volunteers that will be delivering PI related info to the institutions on this list.

We are **IN DIRE NEED OF VOLUNTEERS** to fulfill needs with respect to treatment centers, parole/probation offices, drug courts & other places requiring items and/or information from the subcommittee. These responsibilities include: contacting and determining their needs, delivery of meeting lists, PI presentations and other things as developed by the sub-committee.

The PI Financial Assessment is attached.

In trusted service, John R
