Clean Date 3-10-08

I have a willingness to serve this area as literature committee chair. This will be a very beneficial learning experience for me. I have participated as alternate GSR & GSR positions as well as active secretary and Treasurer of my home group. I have also taken part in supporting other committees and have attended every meeting in town at least once. Narcotics Anonymous has and continues to save my life and taught me how to give back to the fellowship through service work.

Also Ruth was nominated for Activities accepted and submitted a Bio was denied at Area because of Policy Rules.

Hi SENANA members,
I forgot to pay the rent to the Unity Room last month. I will pay last month and this month's rent together. Lindsey W

RCM-Next Region will be in Giltner on Jan 10 2010 Breakfast served.

H&I- Hello Family,

From Senana H&I we did not meet in Oct due to scheduling conflicts with the convention. We did meet today we have a balance of 29.27. We are going to start a women's downtown again with a new panel leader. Thank you Miss Kimberly. We also are going to start LCF back up. There has been a orientation at the jail, which makes this meeting possible. Unfortunately we have put touchstone meeting on hold due to no panel leaders have been present. We do not know where this meeting is or how it is going. We have a temp panel leader. NSP did a training one person attended NSP did not contact all members. Our next training is 12-12-09 please come H&I need support, next meeting is 12-6-09.

PI Report-

The subcommittee met via phone contact as many members were out of town. Total attendance continues to be sparse and additional participants are badly needed. The Center Pointe Youth facility presentation went well this past month. This is a recurring monthly presentation conducted on the third Tuesday of every month at 0:00-10:00am. WE NEED ADDITIONAL VOLUNTEERS IN ORDER TO CONTINUE THIS PRESENTATION!!!!!! Anyone who is able to commit to making this presentation please contact Jeff W. to arrange an approval visit with the facility director. Even if you have not completed the H&I training please contact us as this issue can be overcome. Work continues on getting the PSA's into broadcast quality and an update will be provided when this happens. Help is still being solicited to design and create our own but no members have responded. We are still in need of any & all information for additional treatment facilities and drug courts that members may be aware of. Please contact a PI Subcommittee member or email the info you may have. This is critical as we now have volunteers that will be delivering PI related info to the institutions on this list. We are IN DIRE NEED OF VOLUNTEERS to fulfill needs with respect to treatment centers, parole/probation offices, drug courts and other places requiring items and/or information from the subcommittee. These responsibilities include: contacting and determining their needs, delivery of meeting lists, PI presentation and other things as developed by the subcommittee. There will be a PI phone line training in conjunction with a PI Learning Day and Potluck on November 7th at the I=Unity Room. If you are Phone Line volunteer this is required biannual training. Setup 2:00 Phone Line from 2:30-3:30 Learning Day 4-5 Potluck 6-7 followed by the regularly scheduled "Forever Home" The PI Financial Assessment
