Treasurer Report:

Hi SENANA members, The balance I have and the bank balance are equal. I have to admit an error I made last month. I did not deposit the income right after area and some checks cleared prior to the deposit I made. This resulted in an overdraft fee of 25.00. I spoke with Westgate bank and they have waived the fee. Even though this is my error, I think it also speaks to the fact that our area is still suffering financially.

H&I Report- Darryl W. just voted in as H&I Vice Chair. No meeting today because of convention. Account balance the same, and new people have been trained for the jail.

PI Report-

The subcommittee met via phone conference @ noon yesterday. Jeff W, Dusty L, and myself attended. Total attendance continues to be sparse and additional participants are badly needed.

The CenterPointe Youth facility presentation went well this past month. This is a recurring monthly presentation conducted on the third Tuesday of every month (9:00 – 10:00 am)

WE NEED ADDITIONAL VOLUNTEERS IN ORDER TO CONTINUE THIS PRESENTATION!!!!

Anyone who is able to commit to making this presentation please contact Jeff W to arrange an approval is it with the facility director. Even if you have not completed the H&I training please contact us as this issue can be overcome.

Work continues on getting the PSA's into broadcast quality and an update we have enough people to cover the times. Help is still being solicited to design and create our own but no members have responded. There are NEW area and region meeting lists available from PI subcommittee members.

We are still in need of any & all information for additional treatment facilities and drug courts that members may be aware of. Please contact a PI subcommittee member or email the info you have to pi@sena-na.net This is critical as we now have volunteers that will be delivering PI related info to the institutions on this list.

We are **IN DIRE NEED OF VOLUNTEERS** to fulfill needs with respect to treatment centers, parole/probation offices, drug courts & other places requiring items and/or information from the subcommittee. These

responsibilities include: contacting and determining their needs, delivery of meeting lists, PI presentations and other things as developed by the sub-committee.

There will be PI phone Line Training in conjunction with a PI Learning Day and Potluck on November 7th at The Unity Room. If you are Phone Line volunteer this is required biannual training. Setup 2:00PM

Phone Line from 2:30-3:30

Learning Day 4:00-5:00pm

Potluck 6:00-7:00

Followed by the regularly scheduled "Forever Home"
