NEW BALANCE:	35.78

AS OF today, the bank's balance is 55.78 and our register is 35.78 (a difference of 20). This is because check #560 to the Unity Room was lost. This check has been lost since June (5months) so I will reconcile the account and add the 20 back in. This puts us at the bank's balance of 55.78. I also want to point out how low the bank's balance is please make sure groups and sub-committees are prudent with funds and thinking about the primary purpose in the 5<sup>th</sup> tradition when thinking about NA funds.

**RCM-** A reminder that the next Region is January 8<sup>th</sup> 2011 @ Giltner community Center, Giltner, NE. General assembly will start @ 12:00. We will be going over the 12 concepts booklet. Please bring Regional votes to December Area. As your Regional Service representative I feel that part of my responsibility is help advocate GSR's @ the area level during our ASC so I would like to take this opportunity to remind GSR's how important it is to stay for the whole ASC after you give reports and take a break it is important to return for that is the actual business meeting. We want and need your votes when you leave the business meeting you are doing your group a disservice because your votes are then not always tallied and your group then loses out on being a voting member of Narcotic Anonymous.

Motion 3: Change NRSC Policy, under "MOTIONS", to add the wording to the sentence "A 2/3's- majority vote is required for all motions regarding RSC finances and 2/3's of all voting body to make changes to RSC Policy. **H&I-** We would like to thank everyone for coming out to our H&I appreciation day on Oct.10th. We continue to need support from our fellow addicts who are interested in carrying the N/A message into facilities where people cannot get out into the public to attend meetings. We can always use additional H&I trained addicts to carry the message. Our next H&I training is on Dec. 11th @ 10:30 a.m. at the Willard Community Center located at 1245 South Folsom Street in Lincoln. That is right off of A street and Folsom street. Our H&I meetings are going strong and continuing to grow. We are currently taking meetings into NSP (Nebraska State Pen), LCC-women (downtown jail) every other week, and LCF-airpark (work release) and Touchstone treatment center several times a month. We are very excited and happy to announce that we have began to take meetings into LCC-men (downtown jail) on the 1st Thursday of the month. We are hoping to do this more often when we have more willing addicts who are H&I trained.

**Literature Report-** As of now we have taken in approximately 235.00. We will be placing an order with world this month. On a note of importance I have a returned check from a group. If you plan on writing checks make **sure you have the funds**. This particular group is being charged an extra 5.00 because of this. Tell GSRø to show up, ASC is the only place to get literature.

### **Activities Report-**

SENANA activities sub-committee met on October 17th at the Unity Room at 1pm. We had 5 members in attendance and I am happy to report that all of our positions are now filled. We discussed the details of the Halloween Dance and the Holiday Celebration a member has found SENANA activities sub-committee guidelines and we plan to go over them and to make any revisions necessary since the last revision to it was in 2005. The 2011 schedule is complete, approved, and will be typed out soon. There has been some debate over postings or pictures and actual Narcotics Anonymous content on some Internet sites. There is concern over anonymity and breaking the eleventh tradition. With that being said SENANA activities sub-committee does not endorse our flyers activities or name being posted on any sites other than NA approved web sites such as world region, and SENANA. Our attendance is still low and we welcome anyone who would like to get involved to attend our planning meetings the 3<sup>rd</sup> Sunday of every month at 1 pm at the unity room. Thank you for letting me be of service. Ruth K
