Elections and Nominations

**Jeff W. was nominated for PI chair and voted in, congratulations Jeff W!!**

**Nominations are open for Literature Sub committee Chair ( Bring nominations to February's area)**

**Nominations are open for Activities Sub committee Chair ( Bring nominations to February's area)**

**Old Business-**

- ✘ Pete L. Passed out the rough drafts of the new guidelines that will be printed in January. It is Important for each group to let Pete know if they need a copy of these or if they can print one themselves.

**Open Floor:**

- ✓ **Ready to give back pamphlet-** Dusty discussed if we as an ASC wanted to print the new pamphlets up now with the open Chair positions, and leave them blank for now, or should we wait until those positions get filled to reprint the pamphlets. It was discussed that if we left the individual names and phone numbers of each chair person off of the pamphlet we could use them for longer than one year.

- ✓ **Meeting List info to register with world-** Each group needs to check and make sure their accurate info is registered with world. Dusty has handout to reregister if need be.
- ✓ **CAR-** John R. discussed as seen in new business that this area could sponsor a CAR workshop. This would allow all individuals in NA to get involved with what is going on. Dusty L. emailed a summary sheet of that CAR out so look for it in email.
- ✓ **Issue discussion Topic-** New updates where made to the vision on NA Service, In times of Illness, IP#24 & 28. Do we want to do workshop on these to open up discussion on how they can be of service or work in our programs. To be sponsored by forever home group.
- ✓ **Lit Audit-** Chad J. says” position is done do we want to Audit the lit paperwork, and checking Account.” This is usually something that is done with any position that has access to funds. Gary thought that it would be a good idea while Chad is still doing the position from month to month, to hold off until we get the new person in the position so they would know exactly where they start at. In is in the Guidelines that the Subcommittees get audited in Feb.

#### **New Business-**

- × **Motion #1** To Have SENANA ASC sponsor a CAR workshop on March 3,2012, (our RD is Available for this) at the Unity Room.
- × **Maker:** John R. **Seconded:** Steve A.
- × **Intent:** To insure this Area has a chance to get the info on the CAR.
- × **FINANCIAL IMPACT:** Zero

Voted on during area and motion passed. Setup will start at 1:30pm and the workshop starts at 2:00pm followed by forever home clean time celebration.

#### **Executive Reports:**

**Chair Report- Guidelines-** Each subcommittee and XC committee member will submit an annual budget at the beginning of the fiscal year, which runs from February to February.

**H&I-** Hello Family,

December was a good month for Senana H&I. We are still bringing in meetings to LCC, LCF and Touchstone. We are working on bringing them back to NSP. We had good attendance at our training day in December. A lot of good experience in H&I service was shared there and I wish to express a thank you to all who attended. We had 31 people at the training day. We will be bringing a lit order after we determine funds availability.

**PI Report-** The PI Subcommittee met at the usual time and place Saturday noon at Antlers. Dusty L, Calvin R, and myself were in attendance.

**Please review the current ASC meeting lists and let a Subcommittee member know of any changes. The new lists are Salmon colored and any other colors should be disposed of as they are now obsolete.**

We have a "Welcome To NA" Information Day coming up on Jan. 28<sup>th</sup> at the Unity Room. Fliers are out.

We continue to have a rather large number of hits on our website and this is a wonderful thing to know.

There is a need for ALL SENANA GROUPS to verify their registration and meeting information with NA World. Dusty L. has the information that is needed to contact them to do this. PLEASE DO THIS ASAP as wrong information about your groups could prevent an addict in need from finding your meeting via the World website.

The investigation of the replacement of the base our current phone line system with a type of automated-PC based system is on-going and information will be provided as it is gathered. Anyone aware of a working system in another Area or Region please let a Subcommittee member know.

We are still in need of any & all information for additional treatment facilities and drug courts that members may be aware of. Please contact a PI Subcommittee member or email the info you may have.

TO THE MEMBERSHIP OF ALL SENANA GROUPS;**THANK YOU FOR YOUR CONTINUED FINANCIAL SUPPORT!!!** Gsr's please encourage members of your groups to continue their financial support via the 7<sup>th</sup> tradition as the level to which the PI Subcommittee is able to carry the message is directly affected by this.

The PI Subcommittee is in need of persons to attend our meetings and become active in our efforts. PLEASE HELP if you can.

The PI Financial Assessment is attached.
