Old Business

Motion #5 – The activities committee keep \$300 over our prudent reserve for summer activities

Maker: Jake V.

Second: Steve R.

Intent: fund summer activities that don't bring income that we have planned.

Policy change: No

Motion was passed at April ASC

Open floor

1st Item -- Tammy W. – financial request forms. If you need money from treasurer, please fill out a request form.

2nd item – Dusty – It tech for Region. Every meeting in state of Nebraska will get a folder with meeting information. There are a few meetings Dusty still needs information for. Includes information like GSR, when meet, handicap accessible. If anything changes please let Dusty know so she can update it. There is a copy of the email list in the folder as well. Get new meeting lists.

3rd item—Jenny – increase in RCM and RCM-Alt budgets. Right now budget is \$50 a year, but there is a concern that the budget is limiting in the sense that it might stifle future people from being able to serve. Having a budget that is too low may make it so that only people who have a higher income might be able to have this position. The yearly budget is currently written as \$50 a year. The RCM and RCM-Alt set this budget but the concern is that people in the future might not think they could stay within \$50 a year budget.

Executive Reports:

Chair Report: Hello S.E.N.A.N.A. I would like to take a second to thank all of you for a favorable vote of confidence for me to act as area chair. I hope that during this term you will see that I take my job very seriously and will do my best to represent this service body. I have made it to the bank with our vice-chair and treasurer to be added to the bank account. I would hope that we as an ASC can work together to promote unity and help the still struggling addict by always remembering principles before personalities. This is YOUR area of Narcotics Anonymous so let's make it the best it can possibly be. Thank You. Chad J.

We still have positions open for those who want to get into H&I service, namely vice-chair and panel leaders. Feel free to see me after the meeting if interested. Our next training day is on June 1st and I have extra fliers to hand out. I will be going to region next week so if you have any topics to bring to region feel free to call or see me. We will pay 25.00 for our business meeting this month leaving us 264.00 in our budget for this quarter. In Loving service Chris S.

PI: Hello family, I will not be there today due to a fatal tragic accident of a daughter of a close person friend of mine and my families. Thanks. Jeff W.

The PI Subcommittee met at the usual time and place. Saturday noon at Antlers. This was a strategic planning meeting and we had 10 addicts in attendance. THANK YOU ALL WHO WERE IN ATTENDANCE!! I believe a lot of great ideas came out of that meeting. Some interest was shown to help PI accomplish some of our short and long term goals. Some areas of discussion were: 1) review highlights from last 3 years. What worked and what failed? We did have some huge accomplishments. A person from the VA stated “ everything we needed to know about NA were able to find on your website”. Thank you Dusty 2) Discussed an overview of current services 3) Discussed major issues facing PI services. NEEDING VOLUNTEERS!! For the last several years, in all of our reports, we have stated that we need your help. The fellowship finally listened and thanks again for all who showed up to our meeting yesterday. If we had that many show up regularly we could accomplish great things.

The Next PI meeting will be May 4th, 2013. Noon at Antlers.

PI will be giving a presentation to the Behavioral Health Conference on May 13, 2013.

The next phone line training will be June 15th. Mark your calendars. Our quarterly list of goals and financials are attached.

If anyone has any questions please feel free to contact me at 402.730.1781. Thank you for your continued support. Jeff W.
