Leases for use of the Unity Room will be on a month to month basis. If your group is planning to meet elsewhere; give the room at least a month's notice. Should the Unity Room not be able to accommodate your meeting(s); you will be given at least two months' notice.

One key will be supplied to each meeting and subcommittee using the facility. Do not copy this key. The back door will now be used only for emergency purposes. Do not use the back door for access to the Unity Room.

Rent is due by the 1st of each month. Weekly meetings will pay a minimum of \$25.00 per month. NA related meetings such as (but not limited to) Literature, Activities, Area Service Committee, learning days, and recovery celebrations will pay \$50.00 per month (which includes storage if needed). For Policy and Hospitals/Institutions sub-committee meetings, the rent is \$50.00 per quarter (every three months). NA related events will be charged \$50.00 per event. Gatherings that are not NA event related will be charged \$50.00 per hour.

Coffee and condiments will continue to be provided for those who meet in the Unity Room. Pop supply will be up to the discretion of the Unity Room Board. The meetings are responsible for the cleaning and upkeep of the room. Groups or subcommittees should keep the storage area free of unnecessary clutter and away from the furnace. If supplies are needed (like cups); please contact Shellie H. prior to exhaustion of that item.

As decided in October, the Unity Room Board will meet quarterly. The meetings will be held the Sunday after Region Service Committee meetings at 2 pm in the Unity Room. Anyone is welcome to attend the meetings. The next meeting will be in April. The following meetings in July, October, and January.

Questions, comments, and concerns should be directed to Kevin C., Shellie H., or a board member.

**Open Floor:**

**Kevin C** – Want to discuss PI purchasing a laptop, it's a good idea, but it should have went back to groups. This needs to be addressed. There was nothing ever voted on. **Kevin S**– this may be best addressed in next month as the PI chair (Bekka) is not here. **David R** - well worth talking about, we should voice how we feel and put it in the minutes.

**Andrew N (Activities Budget and Policy)** – As policy chair, I was wondering if sub committees can create their own policy, without oversight, without the group voting to approve it? I feel like there is a lack of oversight in subcommittees. I know activities current policy is any funds over their prudent reserve need to be returned to area unless “previously designated”. That term has been used to hoard money that wasn't involved in the original budget. I'm not saying it's being done now, it has been done. I have heard people on activities committee say “If we don't figure out how to spend this money, area is going to want it back” I don't believe that they are autonomous. **Jennifer G** –I was looking at our WSO guidelines, all subcommittee budgets are reportable to ASC committee. Financial impact has to go back to groups **Kevin C** – All subcommittees & ASC are accountable to groups. They need to be accountable. **David R** – Subject has been “loosely” taken care of, everything should be approved by the groups. If subcommittees doesn't have a policy are they responsible to create one? This ASC, for a long time has been working on a whatever, whenever kind of thing. If we look back at how the groups want to be responsible they may need a push on how to create policy **Andrew N** – I don't understand the policy, can

Paula explain? If we have a dance, make profit, what happens? **Paula S** – We have a policy, I don't have a copy of it, the only thing we have pre designed is money for coolers, and again I am brand new at this.

**Andrew N (H&I policy and scope)** I know we started going it to York, did that ever come to this table to be decided on? York is not in this area. I am confused does H&I do work with other groups outside of our area? **Jennifer G** - Since York does not have an area I contacted the prison and we voted on that at our subcommittee. We decided we would oversee it. I have had discussions with women outside of this area and found that it should go to a region level (because it's state-wide), so it may be passed at a region level to different areas. On a personal level, I was really excited that we were contacted to bring the message to York and carry the message. Bringing facilities back to groups is not something that our subcommittee has done. That's why subcommittees are in place, so groups do not have the burden of getting into facilities, that's my understanding. If voting on facilities in groups is something that comes up, ok. We are responsible to the groups. Absolutely. **Steve R.** – York is not causing any financial impact, these women should have a round of applause for going so far to carry message. **Andrew N**- Very grateful they are carrying the message to, that's a huge deal. I wasn't clear on the financial impact, I wasn't sure about them asking us for help/reaching out. I'm not saying we shouldn't. **Jennifer** – I am handing out things that I got from region, just for today, and other things that have been donated.

**Kevin S** – As a part of the York group, we are not going to that facility as that group is around 95% men, to clarify, we are unable to bring in these meetings. We are doing what we can, literature wise so that meeting can happen, we are doing everything we are capable of to make that meeting happen.

**Steve H** – if York is not in an area, is there a problem with them coming into this area?

**Kevin S**-A GSR has been visiting all three areas they fall between so we may vote on an area. It will happen in probably the next month.

**David Ross (PI BUDGET)** If the groups in this area have approved the budget, a detailed list and money and the subcommittee doesn't spend the money allotted, are they allowed to buy something else? Can they without going back to groups? **Lindsey** – I have received the pi report on my phone. **David S** – read the PI budget off his phone (attached) **Andrew N** – The money is not the subcommittee's money, it came for the groups and should be voted on. There is no policy about changing budgets, that money is from the members and should be voted on, that should not be changed. This applies from the group level to the world level. **Chad J**- PI has previously submitted an itemized budget to be voted on by groups, this year they have not. This year, I believe, it was paraphrased as “To help carry the message, to inform the public of what NA is and what it is not.” It does not say they cannot spend the money on the laptop, it doesn't say where any of its going **Kevin C**- Do we have minutes from Jan so we can see what they submitted? **Kevin S**- There budget is in the minutes. I don't see anything that would appropriate funds for a laptop. Any other questions that can be answered today? **Steve R** – Has the laptop be purchased yet? **David S** – No, it has not. We voted yesterday. **David R** – It would be the responsible of ASC to contact PI to notify them of concerns. **David S** – I will carry the concerns to PI, please voice the concerns at our meeting, we meet every month **Andrew N** – I would like the record to reflect that I am a little concerned that an entire committee voted to spend this money on whatever they want, this information should have been brought to ASC, so we may bring it back to groups. **Kevin S**– Lindsey will you email Bekka with our concerns **Lindsey**- yes

Motion to extend open floor (Paula S) Seconded by Steve R

**David R (SENANA policy)** I am part of the Policy subcommittee and I have been hearing concerns. We make recommendations to the groups on what they feel are changes that need to be made, most are reducing redundancy. It was presented to me that method comes across as a sort of government. In the past years, there is a lack of presence by our groups. There are no groups opposing the way its being done. As a policy member, I am asking that GSR's take it back to groups so we may be a better service to our groups and subcommittees. We want to know the best way to be of service. If we have a lack of input

we have no other way to do it. This has been my biggest concern as a policy member **Jennifer G**- I a 100% in agreement, this needs to go back to groups. We need to reiterate when are subcommittees meet. If you are not going to subcommittee meetings then how are we going to bring about change?

**New Business:**

Kevin S. appointed Wayne to be Ad-Hoc for policy to work with Paula S.

**Motion #1:** To remove from policy Section IV, 3, a) and b), definitions of a proxy.

**Intent:** To remove contradictory language from our policy and to allow proxy voting for groups without a GSR.

Submitted by: Andrew N. Seconded by: Steve R., Financial Impact: \$0, Change in policy: Yes

**Back to Groups**

**Motion #2:** To increase H&I quarterly budget to \$350/\$1400 quarterly. This is an increase of \$200 annually for budget just approved by groups.

**Intent:** To purchase literature for facilities, pay rent, hold training days (food, donation, materials). We have added two facilities.

Submitted by: Jennifer G. Seconded by: Paula S., Financial Impact: Yes, Change in Policy: No

**Back to Groups**

**Motion #3:** Purchase a box of checks

**Intent:** Continue to pay the bills

Submitted by: Wayne. Seconded by: David S., Financial Impact: Unsure, Change in policy: No

**Tabled until next month**

**Discussion about motions**

1. **Wayne (motion #3)** – purchase a box of checks to continue business Wayne – Opened a box from 2008, they have all been used already. **Chad** – Since we use Westgate I believe the checks are free **Steve R** – Should we wait to see if it goes back to groups since we don't know if it has financial impact. **Kevin S** – We have to wait to see if it falls into his budget **Wayne** – I do not have a budget, I will check on impact. **Tabled until next month**
2. **H & I budget Jennifer**-When we talked about it, I was under the impression that are rent was increasing per month. However we are purchasing lit for facilities. Our budget includes lit for facilities, h and I training day (food and venue rent), and rent. **Andrew N**- I believe that budgets had been voted on a month ago, I believe that budgets should have an itemized list. **Debbie** – H&I are continuously trying to get more literature as we pick up more institutions. **Jennifer G** – I will go back and look at previous budgets including literature, we have virtual budget, if I don't use it, it stays with ASC. I have \$144 still, I believe. **Chad J** – We use 7<sup>th</sup> tradition money for food to feed other addicts, that bothers me, personally. That would be my biggest concern. **Kevin** – this goes back to the groups.

**H&I:**

Hello fellow addicts, H and I is going well. All facilities and times remain the same. Still plugging away with getting volunteers oriented for York. However, we have carried three amazing NA H and I meetings in, so all is on schedule. I will be making a motion to go back to groups that our annual budget be raised to \$1400 a year or \$350 quarterly due to the number of facilities we are carrying the message into and the proposed increase in rent for our monthly subcommittee meeting. Again, I want all to know that if our quarterly budget is not used, it just remains with ASC, and our budget starts again the following quarter. So, funds not used are not spent. In loving service, Jennifer Golden (H and I chair).

**P & I:** Hello Family, Our PI subcommittee is alive and well. We will be doing our quarterly meeting list updates starting in April. If you have any changes to your meeting time/place/format please let us know so we can keep our meeting lists and phone line as up to date as possible. Our email is Pi@senana.net. The Regional Center reached out to one of our subcommittee members and a PI presentation at that facility is being discussed. As a PI subcommittee we voted to purchase a laptop. This laptop will be used to publish meeting lists and keep the SENANA website updated. We have a surplus in funds due to some weird billing issues. This is discussed in detail on our attached financial report; check it out if you have any concerns. Questions can be directed to our treasurer John R, who can be reached through our email. The Behavioral Health Conference will be held on Tuesday & Wednesday the 12th and 13th of May at the Cornhusker hotel. We still need volunteers!!!!!!!!!!!!!! Please bring this to your groups!! This is an amazing opportunity for service work and to carry the message of Narcotics Anonymous. The subcommittee is more than willing to get anybody interested in helping the proper training. A sign-up sheet is being passed around. Feel free to contact Myself, David S, John R, Jeff W or Dusty L if you have any questions. We encourage everyone to attend our subcommittee meetings, held the Saturday before area noon at Antlers. Thank you for your continued support! IN LOVING SERVICE, Bekka W. 402-418 2184 [PI@Senana.net](mailto:PI@Senana.net)

This month's report reflects a budgetary surplus which will be used to fund the monthly PI expenses until it is depleted. The surplus is a result of during the last 2+ budget cycles the inability to pay the monthly costs to the entity providing our Yellow Pages advertisement. The printing was originally done by Windstream and then was done by 2 separate subsidiaries of "The Berry Company". During these changes of entities the billing just stopped and/or was not correctly sent to us. Upon making MANY attempts over MANY months on SEVERAL occasions it was determined that we were not able to get the funds to those entities which no longer had contracts with us to place our information in the books. During these months our information was always included so there was never a loss of service. We will also not be needing to receive the checks for the past 2 months of expenses that the ASC treasurer has yet to deliver to us. In trusting service, John R.
